## COMMUNITY-BASED TESTING

Tomo is a trusted drug and alcohol collection partner with judicial and family court agencies across the country. Tomo's highly trained technicians implement strict observation and collection procedures to ensure valid specimens while maintaining donor confidentiality and dignity.

## DEPARTMENT OF TRANSPORTATION (DOT) TESTING

Tomo serves clients in each of the DOT administrations, including FAA, FMCSA and PHMSA. As a full-service third party administrator (TPA) Tomo can manage every step of your drug testing program including:

- Pre-employment
- Random selections
- FMCSA Clearinghouse
- Post-accident testing
- Compliance

With dedicated results and compliance experts, Tomo ensures clients receive their results quickly and accurately while maintaining DOT compliance.

## DNA TESTING

Tomo strives to provide the most reliable, legal paternity testing at a reasonable price with professional, courteous service to our families. You can trust us to get it right the first time in our partnership with DNA Diagnostics Center (DDC). Tomo offers both legal and non-legal DNA testing for:

- Child support and custody
- Birth certificate
- Immigration
- Adoption
- Tax forms
- Inheritance rights and more

## DRUG-FREE WORKPLACE TESTING

Tomo works with thousands of companies across the country who value creating safe and healthy work environments. Companies who implement drug testing programs report increased productivity, reduced accidents and decreased absenteeism. Tomo has the unique ability to tailor a testing program to fit each client's specific needs.

## STUDENT TESTING

Tomo provides confidential testing programs for middle, high school, technical college, and collegiate students. The goal of student drug testing programs is prevention not punishment. These programs seek to prevent the use of drugs among students and help to identify students struggling with addiction as early as possible.
